

Welcome to Class Eleven and the second half of the summer term!

Welcome back to the final half term of the year. We hope you are enjoying the great weather we are experiencing at the moment.

This half term, we are continuing our topic of:

Marvellous Morecambe

Again, this is a busy term with lots happening. We are looking forward to the Isle of Man visit, Sports Week, Sports Day, an evening of musical fun and many other exciting events. We are also planning an exciting trip to Morecambe.

Overview of subjects this term:

English	Completion of various writing opportunities for secondary school transition
Maths	Review of everything taught this year.
Science	We will use the seaside as a stimulus for a variety of investigations looking at materials and their properties: transparency, absorbency, thermal conductivity and solubility.
Computing	Looking at a variety of search engines (yes, there are more than 1!) and how to stay safe on the internet.
RE	Important figures in the Christian faith
Topic	History – The Victorians, specifically looking at how Morecambe developed in the late Victorian era. Art – Drawing and painting skills, moving towards textile work, based on the seaside. Geography – human and physical geography of Morecambe
PE	Cricket & rounders – striking and fielding Athletics
Music	Seaside inspired music
PSHE	Perseverance
French	The Seaside

P.E continues to be on **Monday afternoon** and **Wednesday afternoon**. However, with the gorgeous weather, children should have their PE kit in school throughout the week (this will be essential during Sports Week).

Please can you ensure children have a water bottle in school every day and sun cream applied.

The children have been given a homework sheet for the half term with a variety of activities on. Please could they complete at least one of these activities per week. If they would like to do more, that would be fantastic!

We are taking opportunities to allow the Y6 children to work collaboratively on a number of projects – they also have the Isle of Man trip to look forward to.

Please feel free to pop in or catch me in the playground if you have any concerns or queries.

Best Wishes,

Miss Rogerson
