

Welcome to Class Nine and the second half of the summer term!

Welcome back to the final half term of the year. We hope you are enjoying the great weather we are experiencing at the moment.

This half term, we are continuing our topic of:

Marvellous Morecambe

Again, this is a busy term with lots happening. We are looking forward to Sports Week, Sports Day, an evening of musical fun and many other exciting events.

Overview of subjects this term:

English	Discussion and Debate, Narrative Poetry
Maths	Review of everything taught this year.
Science	We will use the seaside as a stimulus for a variety of investigations looking at materials and their properties: transparency, absorbency, thermal conductivity and solubility.
Computing	Looking at a variety of search engines (yes, there are more than 1!) and how to stay safe on the internet.
RE	Important figures in the Christian faith
Topic	History – The Victorians, specifically looking at how Morecambe developed in the late Victorian era. Art – Drawing and painting skills, moving towards textile work, based on the seaside. Geography – human and physical geography of Morecambe
PE	Cricket & rounders – striking and fielding Athletics
Music	Seaside inspired music
PSHE	Perseverance
French	The Seaside

Throughout the week, we are very lucky to be supported in Class Nine by **Mrs Pritchard**. **Mrs Rees** will teach your children **Music and RE** on a **Thursday afternoon**.

Please can children bring in the following items every day:

- Reading book and record
- Spelling book
- Water bottles
- Waterproof coats

P.E continues to be on **Monday afternoon** and **Tuesday afternoon**. Please can all children have their full P.E kit (including labelled t-shirt, shorts and pumps) in school all term, particularly for Sports Week!

The children have been given a homework sheet for the half term with a variety of activities on. Please could they complete at least one of these activities per week. If they would like to do more, that would be fantastic! They will continue to receive a piece of maths homework as well.

All children have a Read Theory login and are expected to use this as much as possible to continue to improve their comprehension skills. Athletics activities are set every week and children are still expected to read at home on a regular basis. Children are encouraged to read their reading book four times a week.

We are looking forward to a great and exciting half term in Class 9.

Please feel free to pop in or catch me in the playground if you have any concerns or queries.

Best Wishes,

Mr J Martin
