Dear Parents/Carers

Thank you to everyone for being understanding and patient with us as we continue to work through these difficult times. We understand that many of you are juggling work commitments with learning at home and we hope that our efforts to provide a range of learning suggestions continues to be a support for you. Over the next two weeks, we will be introducing more videos to model learning and teachers are also planning to communicate with groups of pupils via Zoom. Every effort is being made to engage with families and facilitate learning.

We continue to see growth in the number accessing our Key Worker and Vulnerable Pupil Provision. We therefore would like to confirm a few details:

- The staggered opening time is 8:45am to 9:15am.
- Enter via the staff car park gates and escort children to main entrance.
- Please do not enter the building if the main door is closed.
- If you are waiting, please ensure that you remain 2 metres apart from others.
- The staggered collection time is 3pm to 3:30pm from the main entrance.
- Children are not to bring any bags or items from home, other than a drinks bottle/non-fabric lunchbox.
- Non-uniform (appropriate 'sporting' clothing) and we advise that all clothes worn at school are changed when your child arrives homes and washed daily.
- A school lunch is available, currently at no cost.

Due to the ordering restrictions from Lancashire County Council, we are unable to offer our normal school meals menu. Instead, our catering team are working hard to offer a 'packed-lunch-style' meal. Your child can choose a sandwich (egg, tuna, cheese, ham) or a jacket potato. On a Friday, we are able to offer a 'take-away-style pizza' for lunch too! From this week, all meal orders will be selected during the registration of each group. We ask that parents ensure children come to school knowing what they would like to eat. We are also encouraging parents to take up our school meals in an effort to ensure that we can continue to keep our school kitchen open.

To book your child a place at our Key Worker Provision, please complete and email the attached form to Mr Hargreaves (head@bolton-le-sands.lancs.sch.uk) indicating which dates your child will be attending over the next two weeks. If you are unable to complete the form online, simply email the list of dates for the fortnight and state whether your child will require a school meal.

Recently, we have seen an increase in parents changing their contact details. If your contact details change, you must contact Mrs Mitchell (j.mitchell@bolton-le-sands.lancs.sch.uk) so we can update our internal records. However, to ensure that you continue to receive emails via the ParentPay system, you **must** also update your ParentPay profile yourself. We are unable to update these details on your behalf.

Thank you again for your continued support.

Kind regards

Mr Daniel Hargreaves
