5 VAT Regulations Relating to the use of Sports Facilities

The letting of school sports facilities is standard rated for VAT purposes.

However, if all of the conditions are met, the letting may be treated as exempt:-

- (a) The series of letting is for 10 or more sessions.
- (b) Each session is for the same sport or activity.
- (c) Each session is at the same place.
- (d) The interval between each session is at least one day and not more than 14 days.
- (e) The contract is for the whole series. This must include evidence that payment is to be made in full for the series whether or not the right to use the facility for any specific session is actually exercised.

A formal agreement, exchange of letters or an invoice would be sufficient evidence.

Provision for a refund in the event of unforeseen non-availability of the facility would not break the condition, but provision for a refund in other circumstances would. It is acceptable for payments to be made in instalments, provided that the full amount is paid whether or not the facilities are actually used on each occasion.

- (f) The facilities are let to a school, a club, association or an organisation representing affiliated clubs or constituent associations (such as a local league).

However, if the facilities are let to an individual or private organisation rather than any of the above, the exemption does not apply, even if the other conditions are met.

- (g) The organisation to which the facilities are let has exclusive use of them during the session.
